ABOUT ME

My name is Sanket Kava. I am from Surat. I pursued my B.Sc. IT degree from K.S. School of Business Management and Information Technology (Gujarat University). I'm a passionate Full-Stack Developer with a strong foundation in both front-end and back-end technologies. I specialize in creating scalable, efficient, and responsive web applications that provide seamless user experiences. On the front-end, I excel in crafting intuitive user interfaces using HTML5, CSS3, and modern JavaScript frameworks like React. On the back-end, I work with PHP and manage databases using SQL/NoSQL technologies.
